

Nursery Fees

Busy Bees at Hull is located close to the town centre and just a two minute walk from St Stephens shopping centre. We are a purpose built, single storey nursery with a secure access system. The nursery has three well-equipped rooms which are specifically designed and resourced for the age groups babies, toddlers and pre-school.

All children that attend the nursery are allocated a key person who will plan activities for children based around their individual interests. The key person will also complete a Learning Journal for each child, this is given to the child to keep when they leave nursery to remind them of the time they spent here. We very proud to receive an **Outstanding** result in our most recent Ofsted inspection (January 2019).

We look forward to welcoming you soon to our nursery in Hull.
