

## Nursery Fees

Busy Bees in Cardiff is a purpose built nursery situated within the Ocean Park business park. We are easily accessed by the main road on Ocean Way and are only a short walk or drive in to the city centre. The nursery has been established for over 20 years so we have a wealth of experience to offer you and your child. The nursery is purpose built, all on one level and has a number of rooms available for the children.

The nursery takes children from 15 weeks to 5 years. Each age range has a dedicated room and team to look after them; each team is headed up by a room leader who is able to over see the area and ensure that the quality of care and education offered to your child is maintained. We also have a large and secure landscaped garden for the children to explore and to extend their learning.

We look forward to welcoming you soon to our nursery in Cardiff.
